CLOUD BASED OR ON PREMISES TRAINING SOLUTION

Support for:
AQP | ATQP | EBT

**Power BI analytics &
custom reports**

**Easy to use web application
available online & offline**

KEY BENEFITS

Simplified and hassle-free training solution that aims to achieve both administrative efficiency and enhanced User Experience

Paperless process that annihilates storage costs

Real-time monitoring of the processes

Digital records and BI dashboards that allow the airline to extract valuable insights, enabling smooth and valid Competency and Evidence Based Training

Elimination of errors

Time & money savings
